Citizens of Hahira

The COVID-19 pandemic affects us all, whether directly or indirectly. The City is committed to protecting you and our staff during this difficult time.

It is for this reason that I have had to make the very difficult decision to close City Hall to the public, effective on Monday, March 23, 2020, until further notice. The City of Hahira joins many other cities across our state, including the City of Valdosta, in this action. Other City offices, including our Police Department, remain open to the public. All city operations will continue as well, including our Police Department, Fire Department, Public Works and Utilities Department.

City of Hahira services available online or remotely include:

- Payment of water and sewer bills, which can be completed at <http://hahiraga.gov>, by phone during this special period at (229) 794-2330, mailed in, or deposited in the fire hydrant drop box located outside of City Hall.
- Questions about Business License renewals can be answered by emailing our City Clerk at lmashburn@hahiraga.gov, or calling our office at (229) 794-2330.
- For emergencies or to file a police report, please contact 911. For all other items, please call the Hahira Police Department at (229) 794-2440.
- For after-hours water and sewer emergencies, please contact (229) 563-6478.
- For all other services, please reach out to the City Hall main number at (229) 794-2330 or consult our website at <http://hahiraga.gov>.

Should there be any changes in our status or normal routines we will of course keep you informed via <http://hahiraga.gov> or the City of Hahira's Facebook pages. All citizens are encouraged to visit the Georgia Department of Public Health website at <https://southhealthdistrict.com/> for the latest updates.

The spirit of Hahira is strong, and we will stand together to overcome this latest obstacle. Please don't hesitate to contact us at (229) 794-2330 if we can ever be of any assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Bruce Cain", written over a horizontal line.
