## **PUBLIC HEARING:**

**A. HA-2025-04 REZONING REQUEST BY FL300 LLC  
(JOHN OWENS) FOR PROPERTY LOCATED  
ALONG SOUTH HAGAN BRIDGE ROAD  
(PLANNING AND ZONING DIRECTOR)**

**B. HA-2025-05 ANNEXATION REQUEST BY FL300  
LLC (JOHN OWENS) FOR PROPERTY LOCATED  
ALONG SOUTH HAGAN BRIDGE ROAD  
(PLANNING AND ZONING DIRECTOR)**

P & Z Administrator Matt Martin stated these two items need to be discussed together. We have a parcel of land 0.63 of an acre that is triangle in shape across from the Lawson Farms Road. This is all a part of the Reynolda subdivision and will automatically annex the road. This is all due to the error of the developer. The developers of this subdivision have already made this roadway connection without realizing it was crossing outside the city limits. The land around this area was annexed and rezoned in February of 2021 with condition that there would not be any driveways with direct access to Hagenbridge Road or Coleman Road.

This is to annex and rezone to add to the current property. The Planning Commission approved with same condition with 8-0 vote. Staff recommends approval of the conditional R-15 and condition that none of the subdivided lots have driveways with direct access to the South Hagan Bridge Road. The developers are currently working on punch list. Does anyone have any questions? None noted.
